

UPS Capital®

Secure, global shipping. Comprehensive coverage. In one flawless package.

Whether it's a diamond ring, emerald heirloom necklace or gold watch, everything you ship is precious. But if you're still managing separate shipping and insurance companies, you — and your customer — may be in for twice the work and twice the hassle if something goes wrong with a shipment.

With Parcel Pro™ Select, you get the global logistics power of UPS®, plus the high-value insurance experience, proprietary security protocols, reliability and commitment to customer service of UPS Capital. All of which ensures peace of mind for you and your customers.

At a glance

- Global transportation, risk management and insurance coverage arranged by one source
- Easy-to-use technology to streamline coverage and prepare shipping labels
- High coverage limits
- Fast, easy claims

Parcel Pro™ Select

MARKETING MATERIALS

White-glove service for shipping and insuring high-value items.

Parcel Pro Select offers a superior service experience for global shipping and insurance coverage.

- Simple, integrated technology enables easy access to request insurance coverage and prepare shipping labels
- We even arrange coverage for packages you ship with carriers other than UPS
- Simple, origin-to-destination tracking
- A dedicated team to help answer questions and resolve claims in the event of loss, damage or theft

It's all built for you. Because you've got better things to focus on in your business than worrying about shipping and insurance.
