iXXXi JEWELRY is a successful Dutch brand which launched in the UK - May 2021. iXXXi already has a strong international brand presence and has partners and distributors in 16 other countries. The brand has become famous for its interchangeable ring concept. By combining a base ring with several fill rings, you can continuously create unique designs. From fun and funky to high fashion... endless switching and combining....

iXXX Men's collection also combines jewellery with interchangeable necklaces, pendants and fashion handmade leather and stainless-steel bracelets. In the short time here in the UK, ixxxi has already been awarded finalist - Professional Jeweller Awards 'Emerging Fashion Brand of the Year' - December 2021. For more information on the brand or know more about how to become an ixxxi Stockist.
