Diamonds (PTY) LTD

BYL Diamonds

Leading supplier of
loose diamonds &
ready-made fine
jewellery.

BYL Diamonds

Being based in South Africa has allowed us to provide some of the best diamonds to the trade at excellent quality & price.

Through associates with mines in South Africa and state-of-the-art polishing factories abroad, we have secured access to some of the world's most impressive loose-cut diamonds and gemstones, in a galaxy of shapes, sizes, colours and clarities.

Our diamond collection includes a wide range of loose diamonds,

mostly certified by the respected Gemological Institute of America (GIA), calibrated round and fancy shape diamonds as well as investment stones.

Our diamond collection includes a wide range of loose diamonds, mostly certified by the respected Gemological Institute of America (GIA), calibrated round and fancy shape diamonds as well as investment stones.

We have many years of experience in supplying the trade and maintaining good personal relationships with our clients helping them create new business and maintain existing business.

In our range, you will find diamonds in any size and shape. We stock the largest selection of Tanzanite jewellery. Top quality, large variety of shapes and sizes.
